THE FUTURE OF  
CONFERENCING IS  
HERE

# THEODORA BOARDROOM

EMPERORS  
PALACE

THE PALACE OF DREAMS

---

EMPERORSPALACE.COM

## **ABOUT/**

Inspired by the Empress Theodora, one of the most influential and powerful rulers of the Eastern Roman empire, Emperors Palace is proud to present a conference and meeting location like no other.

Breaking the boundaries of technological advancement and providing a centralised hub that arms you with a gateway to the world., Theodora is the newest technological epicentre of conferencing. Host meetings, conference calls or strategy sessions using state of the art conferencing tools and open up channels to incorporate associates and partners both locally and internationally. This is the future of conferencing.
